I am a [REDACTED] resident [REDACTED] and live off [REDACTED]. Although my property was not directly affected by the floods my community was. It was devastating to see the flood waters get so far up [REDACTED] and see fish swimming along the road!! It was de-stressing to see neighbours trapped by flood waters. I travelled to Ascot Vale on the day of the floods and saw the damage and extent through Smithfield road. It was OUTRAGEOUS to see the Flemington Racecourse - a natural absorber of all the water appear unaffected. I am concerned about future flooding events and the lack of action taken by VRC and wish to see large infrastructure adjustments made re- the flood wall. I am also concerned that since the flood insurance companies have targeted the 3031 area as a whole saying it is either a)uninsurable or b) 3x the price it was for home and contents insurance. Like mentioned, my property was not directly impacted on the day but am now negatively affected as a result of the poor classification and zoning by insurance companies. However, I must say the clean up for Kensington Rd and Smithfield Rd was done quickly and to a high standard, so thank the Fire Brigade and others for that.
