There was not enough warning of the flood event. While my home was not flooded, it came within 400m of it. Local streets and roads were blocked for days. It's really not good enough with today's technology. Local councils did their best to manage. Thankfully the newer developments such as [REDACTED] and [REDACTED] were spared as they had fill platforms with levels to withstand the 1:100 floods as prescribed by yourselves. Please insist that any knock down and rebuilds of homes on the floodplain build up to these new levels.
